Acknowledgements:
I understand that to become a Citizen Forester, I will need to successfully complete a combination of classroom instruction and field training, and participate in a community service project involving trees (opportunities will be provided).

I understand that during the field training component of the program, the following physical activity may be involved in an outdoor environment: Using a shovel to dig a planting hole; using bypass pruners, loppers, and hand saws to prune trees; and extended periods of walking and/or standing.
